MeGUARD

Amazing ultra-transparency

FACE SHIELD REPLACEMENT FILM

SUPER CLEAR

MeGUARD dedicated high-quality replaceable film

Recognized by medical professionals - High-quality face guards [MeGUARD] and [MeGUARD PRO]

High-quality dedicated replaceable film [Super Clear] is now available for easier use.

So transparent you won't even notice it's there.

It also shuts out reflections and glare, as well as fogging caused by breath, to support the medical field.

● Photo / Example of installation on MeGUARD PRO
